Section 2. Voting Rights. The Association shall have one class of Members who shall be the persons or entities as provided in Article VII Section 1 of the Declarations. Each Member shall be entitled to one vote for each Lot or Living Unit in which he holds the interest required for membership. When more than one person holds such interest, all such persons shall be Members and the vote for such Lot or Living Unit shall be exercised as they among themselves shall determine, but in no event shall more than one vote be cast with respect to any such Lot or Living Unit. However, if only one of the multiple owners is present at a meeting of the membership, he or she shall be entitled to cast the member vote associated with that unit, regardless of any decision the multiple owners as a group may have made.

Section 3. The membership rights of any person whose interest in The Properties is subject to assessments, whether or not he be personally obligated to pay such assessments, may be suspended by action of the Board during the period when the assessments remain unpaid. Upon payment of such assessments, his/her rights and privileges shall be automatically restored. If the Board has adopted and published rules and regulations governing the use of the Common Properties and facilities, and the personal conduct of any person thereon, it may, in its discretion, suspend the membership rights of any such person for violation of such rules and regulations for a period not to exceed thirty (30) days.

Section 4. The rights of membership are subject to the payment of annual assessments levied by the Association in the amount and manner as provided in these Bylaws, the obligation of which assessments is imposed against each Owner of and becomes a lien upon the property against which such assessments are made as provided in the Declaration.

Section 1. A certificate of membership in the Association may be issued to Members in such form as the Board may determine. Failure to issue such a certificate shall not affect the rights of a Member.

ARTICLE V ASSOCIATION PURPOSES AND POWERS

Section 1. The Association has been organized to accept and hold title to the Common Properties which will be conveyed and transferred to it from time to time by Developer in accordance with the Declaration; to maintain and administer the Common Properties as provided by the Declaration; to administer and enforce the covenants and restrictions as set forth in the Declaration; and to collect and disburse the assessments and charges as provided in the Declaration.

Section 2. Subject to the provisions of the Declaration, and to the extent provided by law, the Association may participate in mergers and consolidations with other nonprofit corporations organized for the same or similar purposes.

Section 3. The Association may exercise any powers conferred upon it by law subject to any limitation or restriction imposed in its Articles of Incorporation.

ARTICLE VI BOARD OF DIRECTORS

Section 1. The affairs of the Association shall be managed by a Board of Directors who shall be Members of the Association. The Board shall consist of nine (9) members to serve for a term of three (3) years each, one-third of the Board, or three (3) members, plus any vacancies which may occur, shall be elected each year. Only one of multiple owners of a lot or living unit shall be eligible to serve as a director at any one time.

Section 2. Vacancies in the Board shall be filled by a two-thirds vote of the remaining Directors. Any such appointed Director shall hold office until his successor is elected by the Members at the next annual meeting or until Members holding twenty percent (20%) of the votes in the Association request a

meeting of the Members to fill the vacancy for the balance of the term. A meeting of the Members shall be called for purposes of filling a vacancy on the Board no later than thirty (30) days following the filing of a petition signed by Members holding twenty percent (20%) of the votes in the Association requesting such a meeting. The above provision shall not preclude an appointed Director from seeking election as a Director. Such Director appointed or elected to fill a vacancy shall serve only during the unexpired term created by the vacancy.

Section 3. Two-thirds of the membership may remove a board member as a director at a duly called special meeting.

ARTICLE VII ELECTION OF DIRECTORS

Section 1. Election to the Board shall be by written or electronic ballot as hereinafter provided. At such election, the Members may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration.

Section 2. The three candidates receiving the greatest number of votes shall be elected to fill the vacancies caused by the expiration of the full three (3) year terms. The candidate receiving the next highest number of votes shall be elected to fill the vacancy or vacancies caused by an unexpired term or terms. Of those candidates, the candidate with the largest number of votes shall be elected to fill the longest term and so on. If there occurs a tie in the vote for two or more candidates among those candidates receiving the highest number of votes to fill the expired terms and vacancies such that it cannot be determined which candidate(s) should fill an expired term or a particular vacancy, such determination shall be made by lot. The Election Advisory Group shall determine the procedure for drawing lots.

Section 3. No Director shall serve more than two (2) consecutive three-year terms. Partial terms filled by appointment shall not be considered part of said three-year term. A former Board member shall be eligible for re-election to the Board on the expiration of one year from the last six-year term served.

Section 4. Nominations for election to the Board shall be made by a Nominating Committee which shall be one of the standing committees of the Association.

Section 5. The Nominating Committee shall make as many nominations for election to the Board as it shall in its discretion determine, but not less than the number of vacancies that are to be filled and no more than three (3) nominations for each vacancy. Such nominations may be made from among Members current in all their assessments. Nominations shall be placed on a written ballot as provided in Article VII Section 6, and shall be made in advance of the time fixed in Article VII Section 6 for the mailing of such ballots to Members.

Section 6. All elections to the Board shall be made by written or electronic ballot which shall:

- (a) Describe the vacancies to be filled;
- (b) Set forth the names of those nominated by the Nominating Committee for such vacancies and;
- (c) Contain a space for a write-in vote by the Members for each vacancy. Such ballots shall be prepared and mailed by the secretary to the Members at least ten (10) and not more than thirty (30) days in advance of the date set forth therein for return of ballots;
- (d) If there is no more than one candidate for each vacancy on the board, the names of the candidates shall be positioned on the ballot according to lot. The procedures for drawing the names shall be determined by the Nominating Committee. If there are more candidates than vacancies, the ballots shall be printed so that the names of the

candidates are listed in each position on the ballot approximately the same number of times.

Section 7. Each Member shall receive as many ballots as he has votes. Notwithstanding that a Member may be entitled to several votes, he shall exercise on any one ballot only one vote for each vacancy shown thereon. The completed ballots shall be returned as follows: Each ballot shall be placed in a sealed envelope marked "Ballot" but not marked in any other way. Each such "Ballot" envelope shall contain only one ballot, and the Member shall be advised that, because of the verification procedures of Article VII Section 8, the inclusion of more than one Ballot in any one "Ballot" envelope shall disqualify the return. Such "Ballot" envelope, or envelopes (if the member is exercising more than one vote), shall be placed in another sealed envelope which shall bear such information as the Board may determine will serve to establish his right to cast the vote or votes presented in the ballot or ballots contained therein. The ballots shall be returned to the secretary at the address stated in ballot transmittal.

Section 8. Upon receipt of each return, the secretary shall immediately place it in a safe or other locked place until the days set for the annual or other special meeting at which the elections are to be held. No earlier than the day before, the external envelopes containing the "Ballot" envelopes shall be turned over, unopened, to an Election Advisory Group which shall consist of at least three (3) Members appointed by the Board. The Election Advisory Group shall then adopt a procedure which shall:

- (a) Establish that the number of envelopes marked "Ballot" corresponds to the number of votes allowed to the Member, be identified on the outside envelope containing them; and
- (b) That the Member is not delinquent in the payment of any of the assessment against the Lot or Living Unit for which the vote is being cast. If the assessments are not fully paid, the vote shall be invalidated.

Such procedure shall be taken in such manner that the vote of any Member shall not be disclosed to anyone, even the Election Advisory Group.

The outside envelopes shall thereupon be placed in a safe or other locked place and the Election Advisory Group shall proceed to the opening of the "Ballot" envelopes and the counting of the votes. If any "Ballot" envelope is found to contain more than one ballot, all such ballots shall be disqualified and shall not be counted. The Election Advisory Group shall announce at the Annual Meeting the names of the candidates elected and the total votes all candidates received. The Election Advisory Group shall also announce the total votes (Yes/No) received for each Bylaw and Covenant and Restriction revision (if applicable). Immediately after the announcement of the results, management shall secure and retain all ballots and outside envelopes for at least one year. Unless a review of the procedure or results is demanded in writing by any candidate within the ballot retention period, the ballots and the outside envelopes shall be destroyed.

Section 9. The procedures for electronic ballots shall be determined by the Board of Directors.

Section 10. Votes cast under this Article VII are valid for the purpose of establishing quorum.

ARTICLE VIII POWERS AND DUTIES OF THE BOARD

Section 1. The Board shall have power:

- (a) To call special meetings of the Members.
- (b) To appoint and remove at pleasure all officers, agents or the General Manager/Chief Executive Officer of the Association, prescribe their duties, fix their compensation, and require of them such security or fidelity bond as it may deem expedient. - (d) To make annual assessments against the Members and to collect the same and create and enforce liens with respect thereto, as provided in the Declaration. No assessment shall be made for any year prior to the year 1976. The amount of the assessment for each year and the time for payment thereof shall be fixed by resolution of the Board.
- (e) The Board may increase the amount of the annual assessment for any year after 1976 in an amount greater than 15% of the amount of the assessment for the preceding year upon approval by vote of Members at the annual meeting of Members of a majority of the Members present and voting at said meeting, in person, in the following manner: Prior to any such annual meeting the Board shall adopt a budget for such year to be presented for approval by Members at such meeting, which budget as adopted shall be sent to the Members with a notice of such meeting. If such budget is approved by the Members, the

Board may levy an assessment for such year in an amount sufficient to meet the provisions of such budget.

- (f) The Board shall direct management to add any unpaid, past due fines as well as any other amounts owed to the Association by any property Owner to that property Owner's annual property Owner's assessment and this in total shall be subject to the rules of annual assessment collections as set forth in these Bylaws and the Declaration.
